SPELLING & READING AWARDS
Well done to the students who advanced another level with their spelling and reading words this week.

PRINCIPAL’S REPORT
INTERNATIONAL WOMEN’S DAY
A big well done to our School Choir who sang so beautifully today and to our Grade 6 girls who all spoke so well in front of the gathered audience at the CWA International Women’s Day event in Axedale today.
We thank the CWA for their offer to be involved.
YMCA GYM
Yesterday was our last session at Palmer’s YMCA Gym. It was a very exciting day for our Prep students who took part in the first session at the Gym. With help from their fantastic Gr. 5/6 buddies, the teachers and gym workers were very, very pleased with their efforts, their concentration and pleased with the enjoyment showed. Our thanks to John Palmer, Emma Carmody and staff for making the sessions so beneficial for the students.
CLEAN UP AUSTRALIA DAY
Last Friday, all of our students put in a really busy hour as part of Clean Up Australia Day. The Prep students worked within the school grounds and Ms. Saunders was very happy with their efforts, filling up two big bags. The Grade 1/2 students cleaned up Axedale Uniting Church across the road and the Axedale Park. Grade 3/4 cleaned up St. Mary’s Catholic Church and around the Tavern and the General Store. Grade 5/6 cleaned up along the highway between the school and the Cemetery.

CODE RED DAYS
The school has recently updated our Emergency Management Plan. Code Red Days are a part of this. Code Red Days are flagged by the Department of Education and Training when there is significant fire danger predicted for the following day. Our school is not in a ‘Bushfire At Risk’ school, so we do not close on Code Red Days. However, our School Bus runs through two ‘Bushfire At Risk’ areas, so on Code Red Days, our School Bus will not run. Parents would need to organise transport on these days. DET will notify the school the day before a Code Red Day so we will always be able to notify parents in plenty of time.

8.30 ARRIVAL
Just a reminder that students do not need to be at school before 8.30am in the mornings. If you need to drop your children earlier for a special reason (eg. if you have an early appointment in Bendigo) please contact the school beforehand to make arrangements as required.

RED BALLOON DAY
Thanks to all those who supported our Red Balloon Day last Friday. We were able to raise $85 which has been passed on to the CFA.

SCHOOL COUNCIL ELECTIONS
There were three nominations for three positions for the Parent Representative Category on School Council. Congratulations to Neil Aurisch, Lara Bathurst and Sharon Hipwell on being elected for the 2015/16 period. Many thanks to Shane Carmody for his contribution over the last two years on School Council. We are very pleased that Shane has agreed to continue in his valuable role on the Finance Committee for 2015.

SCHOOL PHOTOS
Many thanks to all families for their help in getting photo envelopes back in plenty of time for School Photos on Tuesday. This made the day itself much easier to co-ordinate. We anticipate the photos being back in the school before the school holidays.

SCHOOL CHOIR OPPORTUNITY
This year, Bendigo for Homeless Youth has a new project called “Chasing Horizons”, where the aim is to produce a sequel album, raising both awareness and funds to support the implementation of a Bendigo-based transition house for single mothers and children, co-ordinated by local Bendigo charity “Horizon House”. The Axedale Primary School Choir has been invited to be one of the schools to perform on that album. Bendigo for Homeless Youth are producing a Christmas CD featuring twenty songs sung by choirs of children from local schools. Each school that wishes to participate will be allocated a Christmas song to rehearse over Term 2, with in-school recording to be organised for Term 3. The vocal tracks will be mixed over pre-recorded backing tracks to make the album complete and it will go on sale during Term 4. They
will be providing continued support and information along the way, as well as vocal tuition and in school rehearsals for all involved.

**CHOIR PRACTICE**

Plans are underway for an ANZAC Day Service to be held in Axedale this year. The service will take place at 9.30am on Saturday 25th April in the Axedale Park.

AOTOF, who are co-ordinating the service, have asked for our School Choir to perform. The School Choir will be combining with the Axedale in Harmony group (a group of Axedale adults who practice at the school every second week) to sing the National Anthem and ‘In Flanders Fields’. The School Choir will be performing ‘Lest We Forget’ and the Axedale singers will be performing Eric Bogle’s classic ‘And the Band Played Waltzing Matilda’.

As part of the preparation for this service, we are organising a combined practice with Axedale In Harmony on Tuesday 24th March at 7pm at the school (last week of term). It is anticipated this practice will run for no more than 30 minutes.

**QUICKSHEAR MERCHANDISE**

Next week, merchandise left over from the Axedale Quickshear will be available at the school. Singlets and polos will be available for $15 each.

Any family purchasing items will go into a draw for a $50 petrol card.

**THANK YOU**

Many thanks to Jocelyn Davies for washing and sorting all of our second hand uniforms that have been up for sale over the last couple of weeks. We hope that families have been able to snap up a few bargains.

**YOUNG LEADERS CONFERENCE**

On Friday March 13th, our Gr. 6 students will be travelling to Melbourne to take part in the Young Leaders Conference at the Melbourne Conference and Exhibition Centre. They will be joining with around 2,000 other students to listen to guest speakers such as Andy Griffiths, Bindi Irwin and Winter Paralympian Jess Gallagher. The guest speakers will be sharing their thoughts on what makes a good leader, working as a team, encouraging others and taking on special projects. More information can be found at [http://www.halogen.org.au/event/melbourne-primary](http://www.halogen.org.au/event/melbourne-primary)

Steve Christensen and Sharon Hipwell will be travelling with the students. Students will be travelling by train to Melbourne for this event.

**ZONE FAMILY FUN NIGHT**

Our Parents, Volunteers and Friends group will be hosting a Family Fun Night at the Zone on Monday 23rd March from 5pm. The ride is planned to arrive at school at approximately 8.45. There will be a number of starting points along the way for all ranges if fitness. Younger students may wish to ride their scooters and smaller bikes from the Axedale Park. A longer than previous ride will be available for those students who coped so well with last year’s Bike Hike.

Parents are welcome to come along as well. Please see the attached sheet for further information. Those who are taking part will need to return these forms by 3.30pm Tuesday to allow for planning.

FROM THE CLASSROOMS

ART SMOCKS
We begin Art classes next Wednesday. Families are asked to provide an Art Smock for each child. Old adult sized shirts usually do the job perfectly. Please ensure smocks are named. The smocks will be kept in the Art Room.

FIRST AID IN SCHOOLS
St John Ambulance will visit our school tomorrow to deliver free First Aid in Schools training to our students. Through the First Aid in Schools program, trained St John presenters will lead students from P-6 through tailored sessions on the importance of First Aid and what to do in the event of an emergency. Our junior students will learn about how to identify when there is an emergency, keeping themselves safe, and how to call for an ambulance. Senior students will learn about delivering CPR (cardiopulmonary resuscitation) and the things they can do to assist in an emergency.
Students will be given a special piece of homework for parents to complete. We encourage you to “do your homework” and go online with St John to see how much you know about First Aid. Are you First Aid READY?
More information about the St John First Aid in Schools program can be found at: www.stjohnvic.com.au/schools

AUNTY PEACH SHOW
On Tuesday March 10th, students will be heading over to the Axedale Hall with students from Eppalock PS to watch the highly acclaimed Aunty Peach Show. The Aunty Peach Show was the winner of the 2011-2014 Performers In Schools Excellence Award.
This school show provides children with a fun-filled learning experience that supports literacy, personal development & drama units, all in an enjoyable, interactive environment.
Centring around the magic of Roald Dahl’s wacky and humorous twisted fairy tales as published in the "Revolting Rhymes", this educational show is children's entertainment at its best.
Along with the animated storytelling, the magic, the visual spectacle and the humour, Aunty Peach also passes on to the students, stage terminology and useful tips for drama performance.
The cost of this performance is covered in our Excursion levy.

Do less, not more, for your kids

With school-aged children we can find ourselves making lunches, getting kids out of bed and cleaning out schoolbags rather than giving these basic tasks of living over to them.

The basic task of parenting, whether you have a two year old or a twenty-two year old, is to work yourself out of a job at the first possible chance.

REDUNDANCY should be the aim of the game! We never become redundant in a relationship sense – the emotional connection between our children and us is never severed.

In a practical, physical way we need to make children less, rather than more, reliant on us.

Developing independence is really about stepping back to allow children in. Doing less rather than more.

We develop greater independence in our kids one job at a time.

Recently I gave my 22 year old son a job that I had been doing for a while. He lives in North America and I had taken on the job of being the connector between him and one of his sisters, who lives in the UK. It had been my job to pass messages on between the two via telephone and emails. I would update each of them about how the other sibling was going.

Frustrated being the go-between I made sure he had contact details and let him know that it was his job, not my job, to connect with his sister.

We easily take on children’s responsibilities

It is easy as parents to take on the jobs and responsibilities that really should belong to our children. With toddlers it is so easy to dress, feed and clean up after them rather than give these jobs over to them.

With school-aged children we can find ourselves making lunches, getting kids out of bed and cleaning out schoolbags rather than giving these basic tasks of living over to them.

And as I discovered, it is easy to still do the basics of life for adult-aged children.

TIP NO. 1 for developing independence:

Be clear about who owns jobs or tasks in your family and never take on a child’s job, or part of a task, unless there is extenuating circumstances such as illness.

A mother I met recently is very clear on who does what in her home. It is her job to wash the clothes of her early teenage children but it is their job to place them in the washing basket. She doesn’t check bedrooms as it is not her job to place kids’ clothes in the washing basket.

Okay, I can hear your thought processes. Sounds good but what happens if kids don’t give a toss and they don’t mind being dirty.

Good point. In this case, this mum has a son who is, to say the least, fairly slack in the area of hygiene. But she didn’t become overly fussed about that.

She certainly didn’t get fussed when he played a game of football in the wet, muddy jumper that lay in his sports bag for a week. And she happily showed him how to work the washing machine when he wanted his favourite shirt (that he forgot to put in the washing basket) to be washed for a special night out.

TIP NO. 2 for developing independence:

Never be more worried about a child’s job than they are, otherwise it becomes your job, not theirs.

This mum remained very clear that it was her job to wash the clothes but not to place them in the washing basket. She would remind kids about washing night, but never nag them to put clothes in the basket. She knows that as soon as she keeps reminding them, it becomes HER job rather than her children’s job to put the washing in the clothes basket.

The school holidays provides a good opportunity to reflect on the whole notion of job-sharking. It’s also a good time for kids to increase their job load when they are not burdened with schoolwork and extra-curricular activities.

Here’s my challenge for you: Think of a job that you regularly do for your child that he or she can do for him or herself. Then step back and enable your child to do that for themselves on a full-time basis. Do less not more for your kids.

If you do that, then you can congratulate yourself as you have moved one step more toward REDUNDANCY.
