FIDGET TOYS / BLU TAC

This term has seen a significant increase in the number of students coming to school with fidget toys or blu tac. While it is recognised that fidget toys can assist students with their engagement and ability to focus, the type of fidget toys can often have the opposite effect. While many fidget toys are marketed as being helpful for student's concentration, we have noticed an increase in students being significantly distracted when using them. Blu tac, or similar, can have the same distracting effect, if provided as a large 'blob'. These items are seen as learning tools, not toys. As a school, we support items that can be used as learning tools, assisting students to remain focussed and are of benefit to their learning. We can access sensory items that are recommended by Allied Health professionals and have been proven to assist students. Staff also work with students, enabling them to understand how and when to use them. If you believe your child requires a fidget toy / learning tool, please speak to classroom teachers before purchasing items to be used at school.

HOT LUNCHES

We could not have picked a better week to have yummy hot steamed dim sims. While the weather was a bit gloomy, students certainly enjoyed eating their hot dim sims. Over the week we will have steamed more than 250 dim sims.

Next term we are planning to have 2 hot lunch order days – a pie day and our traditional hot dog lunch for Footy Colours Day.

END OF TERM ASSEMBLY

Next week we will hold our end of term assembly on Friday, starting at 2.10pm. All parents / carers are invited to join the end of term celebrations. Students will be dismissed from the assembly at 2.30pm. The school bus will run as normal.

JUMP ROPE FOR HEART CELEBRATION

Next Friday we will celebrate our involvement in Jump Rope For Heart. Students have been practising their skipping, some learning to skip, while others have learnt new skipping 'tricks'. Weather permitting, all students will be involved in skipping activities, commencing at 11.40am. Specific details will be included in next week's newsletter. Students are encouraged to **wear a touch of red** next Friday on the day and donate a gold coin (out of uniform), with money going towards the Student Representative Council (SRC) Wish List.

2026 ENROLMENT

We have held our 2026 Prep Parent Information session. If you were unable to attend the session but would like a guided tour of the school and have questions to ask, please don't hesitate to contact the office.

Enrolments for 2026 Prep are due by Friday 25th July 2025.

Families who require an enrolment pack please contact the office.

GRATITUDE CALL OUT

This week I would like to give a gratitude call out to our grade 6 Shop Monitors, Mrs Tenace and Ali who collect lunch orders from Rise & Grind and our mail from the Axedale Store. It is great to see our students have the opportunity and responsibility to continue a long-standing tradition of picking up lunch orders and the mail.

REPORTING AND PARENT TEACHER CHATS

Staff are working through the reporting process, completing assessment tasks and writing Semester One student reports. These will be distributed via Compass on Tuesday 1st of July. **Parent Teacher Chats for Mr Christensen and the grade 3/4 class will be on Thursday 3rd of July. All families are encouraged to book a time to chat with Steve. Bookings for the chats can be made through Compass. Parent Teacher Chats for other classes will be held early in Term 3. Booking information will be provided early in the term.**

SCHOOL UNIFORMS

We have new discontinued uniform items for sale \$5 each, including Rugby jumpers, Bomber Jackets, Windcheaters, skorts, bootleg pants (cotton & fleece lined). Limited sizes available. Contact the office.

THE SMILE SQUAD FREE SCHOOL DENTAL PROGRAM IS COMING TO OUR SCHOOL

Today students will bring home a Smile Squad Kit consisting of toothpaste and a new toothbrush. The Smile Squad team from Bendigo Health are coming to our school, starting their visit on Wednesday 23rd July (Term 3).

Smile Squad is the Victorian Government free school dental program.

This means ALL students can get a free dental check-up, preventive services, and treatment at school.

How to access free dental care

We need your consent before we can provide services. Consent is usually provided by a parent or guardian.

Sign up to Smile Squad at: <https://bit.ly/smilesquadvic>

OR use the QR code:

Paper copies of the consent form are available. Please contact the school office if you would like to request one.

The electronic consent form can be translated into more than 100 languages, and the paper form is currently available in 13 languages.

Smile Squad oral health packs

All children deserve a healthy smile, and the Smile Squad free school dental program is working hard to help make sure this happens.

Your child(ren) will soon receive a free oral health pack to bring home. The pack contains a toothbrush, full sized toothpaste, and an oral health brochure. Please take the time to read the brochure. It's full of helpful hints and tips to help your whole family eat well, drink well and clean well – for life.

Standard strength toothpaste

Smile Squad provides standard strength fluoride toothpaste that is generally used by ages six and over, unless recommended by a dental or trained health professional.

If your child is under six, please talk to a dental or trained health professional to find out if your child might benefit from using this toothpaste. You can also choose to put the toothpaste away until they turn six or give it to someone else in your family to use.

Do I need to attend my child's appointment?

No, you do not need to attend your child's appointment. You can attend if you would like to, and you can take your child to the community dental clinic if you prefer.

VICTORIAN PREMIERS' READING CHALLENGE

Thank you to those students who have been reading and adding their books on the Premiers' Reading Challenge website. **If you have been writing your books onto your reading checklist make sure you bring the sheet into the office and Mrs Baldwin can enter them for you. Students have read 201 books so far.**

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 5th September 2025.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit: <https://www.vic.gov.au/premiers-reading-challenge>

Soccer

Last Friday the Grade 5 and 6 students and a few Grade 4 girls participated in the soccer tournament in Epsom against other schools from around Bendigo. The girls played five games. They won two games, lost two and came a draw for the other. The boys played six games. They won 5 and lost one.

We were very lucky to not need our towels as we had lovely weather!

We would like to say a huge thanks to Mr C who coached the girls and Chris from Eppalock who coached the boys. Miss Bingham for her support, Peter our lovely bus driver and Sonya Browne who allowed us to borrow the jerseys. A special thanks to all our players. We would not have been able to play without the other schools who participated and extra thanks for the Grade 4 girls who stepped up so we could have a team. We all had a fantastic day.

Preps & Grade 1/2's

This term students have learnt signs related to classroom instructions such as stand up, sit down, line up at the door, asking questions etc. The students have enjoyed playing a game called 'Teacher Asks' - like Simon Says to practise these signs.

Students have also been learning the signs for the letters of the alphabet.

In the spirit of reconciliation, TheirCare acknowledges the Traditional Custodians of country throughout Australia and their connections to land, sea and community. We pay our respect to their Elders, past, present and emerging and extend that respect to all Aboriginal and Torres Strait Islander peoples today.

What's been happening?

We have been having an awesome time in After School Care recently!

We finger painted our own Up! inspired houses which were hands-on, creative, and definitely messy (LO 2.3).

Then, we spent lots of time playing outside, which is always a lovely way to spend the afternoon (LO 3.2, 3.3).

Finally, we have been mixing up the foods we eat during afternoon tea; our favourite food has been pancakes topped with fruit and maple syrup 😊

We are hoping to get some new resources for TheirCare in the near future! If children or families have any suggestions of what they would like us to get for the service, please let us know. Also, if any families have any old toys, dress ups, or craft materials they no longer need, we would love to give them a second life!

Taking a wildlife-friendly approach, Tanya Loos provides practical information, advice and solutions, based on current guidance from wildlife rescue organisations and the latest research.
