------	--	------	---

What a busy (and long!) term! I'd like to thank parents and carers for their ongoing partnership, staff for their dedication to students, and of course, our students, who have worked hard throughout the term and consistently displayed our school values. There has been a variety of extra curricula activities amongst a great deal of classroom learning.

I hope you have all logged on and read your child/ren's report and enjoyed looking at their Learning Diaries or Digital Portfolios.

I wish everyone a restful and safe break and look forward to catching up and hearing about the holiday activities early in Term 3.

Congratulations to Campaspe winners of this week's House Award.

NIGHTS OF READING

Congratulations to these students for receiving their certificates for 50, 75 and 100 nights of reading. It is fantastic to see so many students reading and recording the books they read.

STUDENT PASSPORT AWARDS

Congratulations to these students who received a certificate for achieving the goal of 25 celebration stickers in their Student Passport.

FIDGET TOYS / BLU TAC

This term has seen a significant increase in the number of students coming to school with fidget toys or blu tac. While it is recognised that fidget toys can assist students with their engagement and ability to focus, the type of fidget toys can often have the opposite effect. While many fidget toys are marketed as being helpful for student's concentration, we have noticed an increase in students being significantly distracted when using them. Blu tac, or similar, can have the same distracting effect, if provided as a large 'blob'. These items are seen as learning tools, not toys. As a school, we support items that can be used as learning tools, assisting students to remain focussed and are of benefit to their learning. We can access sensory items that are recommended by Allied Health professionals and have been proven to assist students. Staff also work with students, enabling them to understand how and when to use them. If you believe your child requires a fidget toy / learning tool, please speak to classroom teachers before purchasing items to be used at school.

END OF TERM ASSEMBLY

Tomorrow we will hold our end of term assembly on Friday, starting at 2.10pm. All parents / carers are invited to join the end of term celebrations. Students will be dismissed from the assembly at 2.30pm. The school bus will run as normal.

JUMP ROPE FOR HEART CELEBRATION

Tomorrow we will celebrate our involvement in Jump Rope For Heart. Students have been practising their skipping, some learning to skip, while others have learnt new skipping 'tricks'. All students will be involved in skipping activities: Gr 5/6 & Preps at 11.40am, then Gr 1/2, 2/3 and 3/4 at 12.10pm. Parents & carers are welcome to attend and watch the students skipping. Students are encouraged to wear a touch of red tomorrow and donate a gold coin (out of uniform), with money going towards the Student Representative Council (SRC) Wish List.

Axedale Primary School has raised \$649.45 for the Heart Foundation!

Any cash sponsorship collected needs to be returned to the school office tomorrow.

2026 ENROLMENT

We have held our 2026 Prep Parent Information session. If you were unable to attend the session but would like a guided tour of the school and have questions to ask, please don't hesitate to contact the office.

Enrolments for 2026 Prep are due by Friday 25th July 2025.

Families who require an enrolment pack please contact the office.

GRATITUDE CALL OUT

This week I would like to give a gratitude call out to all students for working hard to 'value add' to their learning in Semester 1. I have enjoyed reading all student reports, noting the growth and hard work across so many curriculum areas.

STUDENT REPORTS

Student reports were released via Compass on Tuesday 1st of July. If you experience difficulties accessing your child(ren's) reports, please don't hesitate to contact the office. Parent Teacher Chats will be held early in Term 3, with bookings made through Compass in first week of the term.

SUPER 100 DAYS OF SCHOOL

Thursday the 31st of July marks 100 days of school for our 2025 Prep students. All students are invited to participate in a dress up day to help celebrate this milestone. Students can choose to dress up as something representing the number 100 or as their favourite superhero. Specific details about the day's activities will be provided next term.

SCHOOL UNIFORMS

We have new discontinued uniform items for sale \$5 each, including Rugby jumpers, Bomber Jackets, Windcheaters, skorts, bootleg pants (cotton & fleece lined). Limited sizes available. Contact the office.

THE SMILE SQUAD FREE SCHOOL DENTAL PROGRAM IS COMING TO OUR SCHOOL

Today students will bring home a Smile Squad Kit consisting of toothpaste and a new toothbrush. The Smile Squad team from Bendigo Health are coming to our school, starting their visit on Wednesday 23rd July (Term 3).

Smile Squad is the Victorian Government free school dental program.

This means ALL students can get a free dental check-up, preventive services, and treatment at school.

How to access free dental care

We need your consent before we can provide services. Consent is usually provided by a parent or guardian.

Sign up to Smile Squad at: <https://bit.ly/smilesquadvic>

OR use the QR code:

Paper copies of the consent form are available. Please contact the school office if you would like to request one.

The electronic consent form can be translated into more than 100 languages, and the paper form is currently available in 13 languages.

Smile Squad oral health packs

All children deserve a healthy smile, and the Smile Squad free school dental program is working hard to help make sure this happens.

Your child(ren) will soon receive a free oral health pack to bring home. The pack contains a toothbrush, full sized toothpaste, and an oral health brochure. Please take the time to read the brochure. It's full of helpful hints and tips to help your whole family eat well, drink well and clean well – for life.

Standard strength toothpaste

Smile Squad provides standard strength fluoride toothpaste that is generally used by ages six and over, unless recommended by a dental or trained health professional.

If your child is under six, please talk to a dental or trained health professional to find out if your child might benefit from using this toothpaste. You can also choose to put the toothpaste away until they turn six or give it to someone else in your family to use.

Do I need to attend my child's appointment?

No, you do not need to attend your child's appointment. You can attend if you would like to, and you can take your child to the community dental clinic if you prefer.

VICTORIAN PREMIERS' READING CHALLENGE

Thank you to those students who have been reading and adding their books on the Premiers' Reading Challenge website. **If you have been writing your books onto your reading checklist make sure you bring the sheet into the office and Mrs Baldwin can enter them for you. Students have read 201 books so far.**

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 5th September 2025.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit: <https://www.vic.gov.au/premiers-reading-challenge>

WEEK 11

In the spirit of reconciliation, TheirCare acknowledges the Traditional Custodians of country throughout Australia and their connections to land, sea and community. We pay our respect to their Elders, past, present and emerging and extend that respect to all Aboriginal and Torres Strait Islander peoples today.

What's been happening?

Last week in After School Care we had a magical week at Hogwarts!

First, we created our very own Mandrakes using recycled Woolworths bags from our grocery orders and air-dry clay! (LO 2.4 4.2)

Then, we made our own magical cloud dough to take home. It was super soft and relaxing to play with. We even added things like sequins and googly eyes for different sensory experiences. (LO 3.1 4.3)

Finally, students have freedom to use creative resources outside which led to us making some great chalk hopscotch courses. (LO 3.2 4.5)

If any families have an old toys, craft materials, dress ups etc. that they no longer use, we would love to give them a second life at Axedale TheirCare!

As we wrap up Term 2, we just want to say thank you to all of the students and families who support our After School Care program! We hope you have a restful & safe holiday and look forward to seeing you all in Term 3!
