#### PREP INFORMATION & FAMILY GAMES,

We are very excited to reschedule our Prep Information Session and Family Games night to next Thursday 14<sup>th</sup> March. The night starts at 5pm with Emma Roberts presenting an information session for Prep families. This is a valuable session, where Emma will provide information about how the prep room operates and ways in which families can assist students with the various learning that takes place, both at school and at home. This session will run for approximately 30 minutes. Parents are invited to bring their prep child with them as Emma will model various aspects of learning during the session.

We will also hold our family games night on Thursday night, with activities available from 5.30pm. Families are invited to bring a picnic tea and join in a variety of fun outdoor activities. It is a great opportunity for families to get to know each other and catch up in a relaxed atmosphere. Traditionally, the giant tug of war is a massive hit, with parents/carers and students being quite competitive. As this event is held on school grounds, we ask that parents respect the no alcohol or smoking bans.

### **QUICK SHEAR**

Thank you to everyone for selling raffle tickets. We greatly appreciate any tickets that can be sold, whether it is a few or all. If you would like more books to sell, please contact the office. Please remember that all tickets need to be accounted for and returned, either sold or unsold. First prize is an amazing trailer filled with lots of goodies!

Donations required: we are seeking donations of items for the spinning wheel and silent auction. If you are associated with a business that could donate items, please catch up with Corrina. Items can vary from stationary,

household goods, gift cards, merchandise etc. Donations of any items would be greatly appreciated.

A huge thank you to the parents from school and kinder who were able to sell tickets at IGA last Saturday. We sold over \$1000 in tickets.

#### WE NEED YOUR HELP!

A couple of weeks ago a volunteer's form, requesting help the Quick Shear was sent home. We need volunteers at the Quick Shear and have many time slots available for volunteers to fill. Please consider volunteering for an hour or two! Volunteers are required from 12pm – 5pm.

#### SCHOOL COUNCIL

Congratulations to Jade Field and Jarrod Threlfall who nominated for School Council. We require 1 more parent / carer to nominate and join School Council. Council plays an important part in the governance of our school, and we need 2 parent / carer representatives to enable us to meet the Department of Education's requirements. Please don't hesitate to catch up with Corrina if you have any questions about being a member of School Council.

#### **ROAD SAFETY**

Parents and carers are reminded that students are asked to use the designated crossing areas on McIvor Highway and Raglan Street. McIvor Highway crossing is supervised before and after school by a Bendigo Council provided supervisor. Raglan Street is supervised after school each day by school staff.

When reversing from parking, we ask that parents reverse using the direction of the traffic and NOT reverse across lanes to be facing in the opposite direction. Raglan Street can be very busy in the mornings and afternoons and already there have been some close calls as drivers have reversed against the traffic.

## THE RESILIENCE PROJECT (TRP)

Students have commenced their introduction lessons for the new year of TRP. Each class has a weekly TRP lesson.

In coming weeks we will start to share parent information in our newsletter. Parents can access TRP@home by searching this on the internet. It is a fantastic resource to support families across the element of TRP.

### **CONVEYANCE ALLOWANCE**

A Conveyance Allowance is available for eligible students using private cars to attend school. To be eligible a student must live more than 4.8km by the shortest practicable route from the nearest school or bus stop. ### **PVF MEETING**

Thank you to parents / carers who have returned the slip indicating an interest in being part of PVF and which days are most suited for meetings. We have quite a spread of days and times where parents / carers are available, which is fantastic but also a little challenging.

This week Richard was at school taking individual, class, family and our whole school photo. He will return to take photos of students who were away on Tuesday, our student leadership photos and the grade 6 graduation photo once all leaders have their badges. It is anticipated that photos will be available to families early Term 2.
